2x Genuine Epson I3200 A1 heads

2x staggered Epson I3200 print heads deliver unparalleled productivity and high print quality. Optimized print head mounting plate for compact design and quick setup.

GZ Variable Dot Technology

GZ Variable Dot Technology delivers flawless skin tone, smoother gradient, crisp text and intricate detail without compromising speed.

Auto Capping & Wiping System

Well-designed Capping & Wiping System saves print head maintenance time. It ensures excellent printing quality and high productivity.

Grooving Anti-Wrinkle Platen

Pressure adjustable pinch rollers, grooving platen and post spreading roller ensure wrinkle free media feeding, especially when printing dark colors.

Unique Media Handle System

Front-position design of taking up system not only saves space, but also makes it easier for the operator to collect samples.

Unique Designed Pinch Roller System

One button controlled electric driver pinch roller system for convenient operating; and three-level tension adjustable pinch rolls perfectly match different thickness paper.
